**1 EXT. THE EARTH**

**1**

OPEN on our blue-green globe with Africa as the focus.

**NARRATOR (OLORI)**

It was foretold by our ancestors  
that in times of great conflict,  
there will be the Chosen who will  
rise to restore harmony to the  
people and creatures of Yorubaland.

We ZOOM into the coastline of WEST AFRICA and the animation style shifts into a stained glass watercolor representation of the WAR OF THE DIVINE ONES. This imagery will be reflective of the visual cues of the Yoruba culture. The characters will be indistinct silhouettes of the magical beings who fought in the wars.

**NARRATOR (OLORI)**

The Chosen is destined to heal the  
scars left upon our world by the  
Divine Wars - a battle between The  
Armies of Light led by Dara, the  
Last of the Olugun Warriors...

ON THE STAINED GLASS IMAGE: A representation of DARA THE LAST OF THE OLUGUN marches alone across a pockmarked battlefield toward a massive cluster of enemies.

**NARRATOR (OLORI)**

...and The Armies of Darkness led by  
The Fallen One who had become  
seduced by dark magic. Spreading his  
curse of Corruption across the land.

The image of THE FALLEN ONE flares with burning red light.

**NARRATOR (OLORI)**

Both armies commanded the powers of  
the Divine and sought to reshape the  
world in their image, but their  
terrible battle shook our homeland  
to the core.

**2 EXT. ELU, THE FOREST REGION - NIGHT**

**2**

Olori and Iyanu emerge into a clearing to catch their breath. (They are being chased by an army of Eso Warriors. They only have a few moments to speak as the army is quickly approaching.)

**OLORI**

My little wonder, it is time.

IYANU

Time? For what?

**OLORI**

To go to where the water meets the wall. Then you must leave Elu and find The Source.

In the distance, WE can hear the sound of the approaching Eso Warriors.

IYANU

I will stay and fight alongside you.

**OLORI**

No! This is your destiny. The voices, your powers, the truth of your past... it will all be found when you discover The Source.

Iyanu stares into the darkness with fear in her eyes.

IYANU

I cannot do this without you.

**OLORI**

You can and you will. Do not stop until you find The Source.

IYANU

I don't know where it is.

**OLORI**

Trust your instincts. This is what I've been training you for.

Olori pulls Iyanu into a deep, warm embrace.

**OLORI**

Go please. Do not worry. We shall meet again. I promise.

Kanfo and Eso surround Olori and Iyanu.

KANFO

This is your last warning.  
Surrender... or we will make you.

ON OLORI'S confident grin.

**OLORI**

Good luck.
